

# Helping Seniors - honored to be helping the Brevard Sheriff's Office Charity

Note: Helping Seniors is honored to have been invited to help Sheriff Wayne Ivey and the Boniface Hiers Automotive Group with the Hemis for Heroes Car Raffle to support the Brevard County Sheriff's Office Charity this year. Your help in the Helping Seniors "Win-the-Classic" Ford Victoria effort really made the difference for us and it is exciting to be involved in helping make sure our First Responders get the support they deserve too. Not too mention, what a COOL CAR! Here's Ashleigh Caswell, of Hibiscus Court Assisted Living and Memory Care, to explain more:

"He's at it again! AJ Heirs, of the Boniface Hiers family of dealerships, donated a 1969 Plymouth Roadrunner to the Hemis for Heroes Charity benefiting the Brevard Sheriff's Department

Ashleigh Caswell (L) and Alex Larson (R) of Hibiscus Court at the Helping Seniors "Win-the-Classic" Grand Drawing event at the American Muscle Car Museum.

ill and injured public safety officer fund. AJ has a long history of being a generous benefactor of our local charities. His theory is that a classic car raffle is something that everyone can get behind, and he's right.

This car can't help but turn heads. This sleek, black beauty was Motor Trend's 1969 car of the year. It has been beautifully restored and will instantly transport you to cruising the strip in 1969! I can't wait to get behind the wheel, I will be fully enjoying showing off this stunner until we find her new home!

Coming off of record attendance at the car drawing for the Helping Seniors of Brevard '51 classic Ford at the American Muscle Car Museum, this two door 1969 Roadrunner is bound to provide much needed funds for the charity. The funds will help public safety members when they face critical challenges such as medical emergencies, long term illness or even the tragedy of a line of duty death. This is how you can show your support for our law enforcement officers in a tangible way. This charity organization is designed to help protect those that protect us.

You'll find the car at a few events for the next few months. Check our raffle facebook page, Hemis for Heroes, and also HemisforHeroes.com to get tickets online and/or for upcoming event locations. And, make sure you swing by one of AJ's dealerships, where you can also grab your tickets. Beep beep! **SS**
